

Employment Opportunities

AfterOurs offers an alternative to costly and time consuming emergency room and hospital emergency department visits, when a patient is unable to meet with their primary care physician. We strongly value our patients' time, and have created a unique urgent care model which allows us to make our services affordable to patients.

Our Values

- We are committed to service
- We are committed to our community
- We enthusiastically support our team members
- We are committed to the primary care physician/patient relationship
- We are committed to empowering physicians and patients with information
- We are committed to directing patients to the appropriate place of service
- We are humble

Only pursue employment with AfterOurs Urgent Care if you are:

- Passionate about customer service and patient care
- Professional in appearance, demeanor, and speech
- Ready to change the way healthcare is delivered

Physicians

AfterOurs Urgent Care is seeking full and part-time board certified, board educated family practitioners, and urgent care or emergency room trained physicians. Our unique delivery model allows physicians to achieve additional income on a full-time or part-time basis. AfterOurs Urgent Care provides comprehensive urgent care services that compliment our community physicians' practices by offering high-quality, affordable, and efficient healthcare after 5 pm during the week, and all day on weekends and holidays.
