AfterOurs Urgent Care Walk in clinics are open evenings and weekends to provide urgently needed medical care at a fraction of the cost of a trip to the emergency room. At AfterOurs, we operate several urgent care locations throughout the Denver Metro Area, Ewing and Hamilton New Jersey as well as Foster City California. AfterOurs operates urgent care clinics in locations that are accessible and convenient for each community they serve.

## **AfterOurs Walk in Clinic Serves the Community**

AfterOurs offers urgent care medical services at several walk-in clinic locations in Colorado, New Jersey, and California. We are currently focused on providing urgent care services in the Denver Metro Area as listed below, but additional locations and medical centers may also be added to this page as we expand. Currently, our team at AfterOurs Inc. operates clinics in Colorado, New Jersey, and California with locations at:

AfterOurs Walk-in clinics are staffed by board certified family physicians, nurse practitioners, physician assistants, experienced nurses, and dedicated administrators, which are well-qualified, expertly trained, and supremely knowledgeable in treating both adults and pediatric cases. Our providers at AfterOurs are constantly studying the latest medical trends to best serve the healthcare needs of the community. Our nurses and administrators are caring and compassionate. At each AfterOurs location, the urgent care staff is highly qualified and dedicated.

AfterOurs Urgent Care clinics also feature leading diagnostic

testing facilities and medical technology including onsite laboratories, x-ray capability, electrocardiogram (EKG) and the onsite administration of intravenous (IV) fluids. Our examination rooms are fully equipped, cleaned and maintained on a regular schedule. Our waiting rooms are comfortable and spacious.

Wait times at AfterOurs Urgent Care clinics are limited and you can always make a walk-in appointment for the same day. Most major insurance carriers are accepted and the cost of a visit to the urgent care clinic is far less than an emergency room visit. We operate clean, safe, leading-edge clinics and keep them staffed with healthcare professionals that can test for, treat, and cure many common ailments.

**AfterOurs Urgent Care Walk-in Clinic is an  
alternative  
to emergency medical services.**

If you have a critical illness or injury that could be life threatening or risks the loss of a limb, our providers will direct you to an emergency room or hospital. Your health comes first and if you need emergency care, we will help get you to the nearest hospital. However, AfterOurs medical clinics can certainly handle the treatment of many common ailments, infections, and illnesses including:

<ul style="list-style-type: none"><li>• <b>Sports Injuries</b></li><li>• <b>Cold and Flu</b></li><li>• <b>Minor Burns</b></li></ul>	<ul style="list-style-type: none"><li>• <b>Sprains and Strains</b></li><li>• <b>Strep Infection</b></li><li>• <b>Abdominal Pain</b></li></ul>	<ul style="list-style-type: none"><li>• <b>Cuts Requiring Stitches</b></li><li>• <b>Headaches and Pain</b></li><li>• <b>Physical Exams</b></li></ul>
