

Denver Highlands

AfterOurs Urgent Care is proud to staff board certified family physicians and doctors at our Denver Highlands **medical clinic**. Here's what our patients are saying!

powered by [BirdEye](#)

Lab, X-ray, EKG, Flu Shots, and IV fluid hydration are all available in our state of the art health clinic to make the most of your treatment outcomes. **IV Hydration is not offered at all clinics – please call ahead for availability.* The average wait time in our **Denver walk in clinic** is less than 15 minutes. Don't wait in the emergency room or hospital emergency department! Our doctors can see you now!
