

Littleton

AfterOurs Urgent Care is proud to staff board certified family physicians and doctors at our **walk in clinic** in Littleton. Here's what our patients are saying!

powered by [BirdEye](#)

Lab, x-ray, EKG, Sports Injuries, Fractures, Flu Shots, and IV fluid hydration are all available in our state of the art **medical clinic** to make the most of your acute care treatment outcomes. **IV Hydration is not offered at all clinics – please call ahead for availability.* Don't wait in the emergency room or hospital emergency department! Visit our **medical clinic** today! We happily treat adults, children / pediatric patients, and geriatric or older adult patients. Most of our **urgent care Littleton** doctors practice and live in the Highlands Ranch and Littleton communities, and they are immediately available to see you now.
